Obtaining HPCC accounts

Accounts must be requested by a MSU faculty member by filling out this form and existing MSU IDs are required. More information at https://icer.msu.edu/users/getting-started

Buy-in options

If you want to have priority access to our clusters, you can purchase buy-in nodes.

Questions?

If you have questions and couldn’t find answers in this documentation, please submit a ticket.

Walk-in helpdesk hours

Monday and Thursday, 1-2pm, Biomedical & Physical Sciences Building, Room 1440

Registration for HPCC workshops

Our monthly workshops cover introductions to Linux, HPCC, and some popular software tools. Check out our training website.

Acknowledgements

We encourage HPCC users to acknowledge iCER/MSU in publications arising from simulations performed on our resources. Let us know that we have been referenced, and we will link to your publication on our publication site, which will further increase the visibility of your work. A sample statement can be: "This work was supported in part through computational resources and services provided by the Institute for Cyber-Enabled Research at Michigan State University."
